

## Geography

Children will learn about map skills looking at the local area and comparing this to Stratford Upon Avon  
Investigate the local area – investigating what the local area was like during Tudor times.

## History

This term, we are focusing on the changes in Tudor Times and will use timelines to help us understand this period of British History.

The children will learn about life in Tudor England.

Comparing rich and poor people in Tudor times and then with our lives today.

Tudor Monarchs in particular Henry V111 and his wives will be studied.

Considering gender equality.

## Physical Education

PE will be taught weekly on Mondays.

## PSHE (Personal, Social and Health Education)

We will look at classroom rules and procedures

Empathy and respecting others choices

## MFL

Around Town-linked to Rotherham and Stratford Upon Avon

Directions (Maths), Map Work (Geography), Modes of Transport

Year 5

# Autumn Term Plan

## Mission Statement

Roughwood Primary School  
*'Where a love of learning grows.'*

Dear Parents/ Carers,

The Autumn term in Year 5 and Year 5/6 will be full of exciting opportunities. As well as introducing our new topic: What A Performance, the children will visit Stratford Upon Avon for the residential. We will focus on a new class text – a selection of Shakespeare's plays, in particularly focusing on King Lear. The children's learning will be celebrated at The Willow Tree Shakespeare Festival held at the Civic Theatre in early January. Towards the end of this term, you will receive an Interim Behaviour Report which will provide details of how well the children feel that they have settled into Year 5 and Year 5/6. This will be supported with a parent's evening to discuss your child's current levels and the expectations of Year 5 and Year 6. New targets will be set in October by their teacher.

We are really looking forward to the Autumn Term and providing your child with an exciting learning experience!

Yours sincerely

**Mrs J K Fearnley** (Head Teacher)

**Mr N Williams** (Head of School)

**Miss J Newton-Smith** (Y5/6 teacher - Assistant Headteacher) **and Mrs A Miller** (Y5 teacher)

## Literacy

Lots of our writing will be based on our class play, King Lear. We will be developing our skills in researching and organising information to create non-chronological reports about the Tudors.

Writing our own play scripts – linked to Shakespeare text  
Our residential and topic visits will be recounted.

A newspaper report will be written about Henry VIII.  
We will write performance poetry in the style of Shakespeare's rhyming couplets.

## Numeracy

In maths the children will be consolidating their previous knowledge and studying a range of mathematical concepts involving the four operations.

How long did each monarch reign for?

The area and perimeter of rooms in a Tudor house.

Data Handling will involve organising facts about Shakespeare's plays and how long Henry was married to each wife.

Planning a Tudor banquet for guests.

What fraction of his married life did Henry VIII spend with each of his wives?

## Real Project

This term Class 7 and Class 8 will perform their class play at the Civic Theatre in early January, 2020.

## ICT/ Computing

Research to support the history and literacy aspects of our topic will be published.

Autumn 1

E-Safety

Digital Literacy Comic Life, Purple Mash

Autumn 2

Computer Science

Flowol, Purple Mash, Scratch

## Design Technology/ Art

Tudor Rose pen and ink interpretations

Investigate Tudor tapestry and create own, developing sewing techniques.

Building a performance area and making play props

## Music

The children will have a range of musical experiences using the Charanga Music Program

## Science

The children will investigate the properties of materials and how to bring about changes to materials

## R.E

This term we will focus on studying Christianity - How do Christians use the Bible, also focusing on the Harvest festival and Christmas.
