## Roughwood Primary School Newsletter

**3rd April 2020**

**Dear Parents, Carers & Children**

This has been an extraordinary two weeks and I hope that you continue to keep yourselves and others safe during these difficult times. You have all risen to the challenge and made possible one of the most difficult tasks we have faced as a school. Your amazing creativity, determination and resilience have shown that despite being unable to see each other, you have remained connected. Connected to your learning, your teachers and your peers. Your teachers, like you, have done amazing things and learnt new ways of teaching in such a short period of time to ensure that you have the absolute best that we can possibly offer. I know you will have been set some home learning for over the Easter Break and I hope you embrace this and continue to do your very best. Easter may be different this year but the meaning will always be the same. Enjoy this time with your household family and reach out to connect with wider family using technology. Please remember, we will be back together as a school soon and we will be stronger than ever. Well done everyone.

**Mr Williams**

**Keep your photos of home learning coming in...**

Keep up to date with what's happening in school on the website: [www.roughwoodprimary.org](http://www.roughwoodprimary.org)  
On the website is an online calendar where we post all events.

### Mrs Fearnley Daily Messages

Mrs Fearnley has been sending in daily videos for children to engage with and has even set some competitions and tasks for you to take part in at home during the break. One of the competitions is to send in a photograph of what Easter means to you. You can send your entries in via Class Dojo or share with us on Twitter or Facebook.

### Home Learning

Over the Easter break, tasks have been set for children to complete by their class teacher. If you have not received a copy or are unsure of the tasks, please contact your child's teacher via Class DoJo. Please continue to keep in touch by sharing your learning and connect with us via Class Dojo or visit the school website.

### Daily Year 1 Zog Green Screening

As part of the Year 1 topic 'Towers, Tunnels and Turrets' class 2 have been reading the story, Zog, by Julia Donaldson. The story is about a dragon called Zog who goes to school and learns lots of new skills. He tried really hard every day to win a golden star but needs a little help along the way. We really enjoyed this story so we decided to use this to create a video. We split the story into sections and each had a role to play. With the help of our ICT experts we used a green screen to create our film. The children worked really well, trying to remember their lines and adding in actions where they could.

### Rainbows

Class 3 were set the task of creating rainbows to brighten up the community and they certainly didn't disappoint. They have all put a smile on my face and now lots of people across the country are all doing the same. If you haven't created one yet, it's a great way to spread a little happiness.
