

Sports Premium

Allocation plan / EOY Review 2020-2021

Roughwood primary School, *Where a love of learning grows.*

At Roughwood Primary School, we believe in the importance of promoting a healthy lifestyle, ensuring that PE and Sports play a vital part in each child's life. As a Healthy School, we encourage physical activity for all pupils to make sure that sport has a positive impact on each of the lives of our young children. We are extremely committed and dedicated to using the existing Sports Premium to develop high quality PE lessons, alongside providing greater opportunities for sporting competitions and clubs for all our young people

Our core objectives for 2020-2021 are:

- To encourage all pupils to be active for at least 30 minutes each day.
- To raise participation of sport within school for all pupils.
- To promote sport values through all activities: Conduct, Participation, Passion, Respect, Teamwork, Determination, Self-belief, Honesty.
- To be proactive in encouraging all pupils to be active at school to support in addressing the growing obesity issue. [2017 summary NCMP 44% obese by Y6]
- To encourage emotional well-being through targeted activity.
- To promote healthy lifestyle choices within school and the wider community.
- Implement new PE Scheme 'Get Set 4 PE' in order to support our planning and assessment going forward into the next academic year.

We aim to achieve this by:

- Weekly physical education lessons
- Active break times
- After school sports clubs
- Lunchtime training
- P4C (Philosophy 4 Children)
- Daily Mile & Daily Exercises
- PSHE (Personal, Social and Health Education)
- Science lessons
- Working with outside agencies such as MIND, Health
- Family fitness sessions
- Family Learning
- Small targeted group work
- Working with parents to support our children

Sports Premium usage for 2019-2020:

We have used funding to allow long-term sustainability in sports provision to improve the quality of Physical Education for all of the children in our School. Currently, we employ a PE Coordinator. Furthermore, extra-curricular sports lessons are provided for children after school and at lunchtimes.

Currently, we are working towards upskilling our staff members through CPD support to encourage the delivery of outstanding PE sessions. They work alongside members of staff each week to enhance and increase their subject knowledge in teaching a range of PE lessons. We have just invested in a new PE Scheme 'Get Set 4 PE' in order to support our planning and assessment going forward into the next academic year.

Our PE co-ordinator regularly liaises with the Local School Sports Partnership and attends local and national competitions and sporting events alongside the children to encourage the pupil's participation in sports.

During break times, the children on the yard are encouraged to access a range of sporting equipment and are led in team sports and games by support staff and the Playground Leaders. A Sports *Class Challenge* is held weekly by our Sports Co-ordinator for the children to participate in. Lunchtime sports sessions are available for the children on a daily basis with the Sport Leaders supporting the sporting activities. A wide range of sports activities are available on the yard such as football, basketball, hockey, netball and handball.

Additionally, as part of our obesity project, we have also incorporated the daily mile into the school timetable. This is a short burst of activity for 15 minutes that all classes participate in every day to improve learning readiness, concentration and behaviour.

Swimming lessons are also provided in the Autumn Term at the local swimming pool for each child in Year 4.

A wide range of after school clubs are also available such as basketball, team sports, football and tag rugby. After school sports clubs are held twice a week and are run by teaching staff. Children are also invited to attend a cooking club where staff teach and educate the children in how to prepare healthy meals.

Sporting events are held regularly throughout the school year. Each year, our school hosts the Willow Tree Academy Olympics where our 4 Academy Schools work collaboratively together in a variety of team sports. Medals are awarded to the winners in an Olympic style ceremony. This year, Roughwood Primary School held its own *Virtual Sports Day* where children accessed *Zoom* to complete their usual Sport Day Activities.

Charity sports events such as Race for Life and Sports Relief are held annually where classes are asked to participate in a sporting event to raise money for a worthy cause.

TOTAL ALLOCATION £19,000

Current Expenditure:

| Amount | Item | Aim | Impact | Next Steps |
|---------------|---------------|------------|-----------------|-------------------|
| £4500 | Lunchtime and | Increase | Networking with | Continue to |
