Responses to Bullying Question: Have your child/children been bullied?

We are working to ensure all parents understand our positive behaviour policies and anti-bullying policies. We have three respondents who indicated that their child or children have been bullied at the school. This represents a small percentage of the total responses, but we take each report seriously.

Of the 3 parents, 1 agreed that the issue was dealt with quickly and effectively, one neither agreed nor disagreed, and another strongly disagreed that it had been dealt with.

The school gives them the support they need to succeed

14 parents answered Yes to the question 'Does your child/do any of your children at the school have special educational needs and/or disabilities (SEND)?' Of these 14, 12 responded positively that the school gives them the support they need. 1 Neither agree nor disagree, and 1 disagree.
